Personal No:

51755428

Name:

HarishGumudavelly

The data visible in this form is exactly what is currently maintained in an employee's personal record in SAP. The usage of this data would be restricted to requirements for enabling personnel administration and management of the company's employees. Information available here would form the basis of all future correspondence. Please read and comply with the instructions as given below.

This form needs to be generated by an employee 24 hours after keying in all the necessary information in the system. This output can be used to cross check

- whether all the information that an employee is expected to provide about himself is there, and nothing has been missed.
- In case any information was submitted for change / correction, whether the same has been reflected in SAP or not.
- In certain circumstances, an employee/new joiner may be required to submit a physical proof of having completed the information entry in the system. In such cases this file can be generated, saved and printed and submitted to EHS Rep.
- Certain fields are optional and marked by a \* - these inputs are to enable better response and planning especially in the event of emergencies, the employee may however choose not to disclose information.
- Certain fields are coloured Orange. These pieces of information may be asked for and provided at the time of submitting to EHS Rep.
